If you receive more than one proxy or voting instruction form, as the case may be, for the Meeting, it is because your shares are registered in more than one name. To ensure that all of your shares are voted you should sign and return all proxies and voting instruction forms that you receive.

Dated at Toronto, Ontario, as of the 1st day of May, 2018.

BY ORDER OF THE BOARD OF DIRECTORS

MANAGEMENT INFORMATION CIRCULAR

(as at May 1, 2018 except as indicated)

INFORMATION REGARDING ORGANIZATION AND CONDUCT OF MEETING

THIS MANAGEMENT INFORMATION CIRCULAR (“CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF THE MANAGEMENT OF ADVENTUS ZINC CORPORATION (“Corporation”) for use at the annual and special meeting of the shareholders of the Corporation (“Shareholders”) to be held at Gowling WLG (Canada) LLP, 1 First Canadian Place, Suite 1600, 100 King Street West, Toronto, Ontario, M5X 1G5, on **Thursday, June 7, 2018 at 10:00 a.m. (Toronto Time)** (“Meeting”), or at any adjournment thereof, for the purposes set forth in the accompanying notice of meeting (“Notice of Meeting”).

Solicitation of Proxies

Solicitation of proxies will be primarily by mail, but may also be by telephone or other means of communication by the directors, officers, employees or agents of the Corporation at nominal cost. All costs of solicitation will be paid by the Corporation. The Corporation will also pay the fees and costs of intermediaries for their services in transmitting proxy-related material in accordance with National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”).

Appointment and Revocation of Proxies

Shareholders of the Corporation may be “Registered Shareholders” or “Non-Registered Shareholders”. If common shares of the Corporation (“Common Shares”) are registered in the Shareholder’s name, they are said to be owned by a “Registered Shareholder”. If Common Shares are registered in the name of an intermediary and not registered in the Shareholder’s name, they are said to be owned by a “Non-Registered Shareholder”. An intermediary is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates. The instructions provided below set forth the different procedures for voting Common Shares at the Meeting to be followed by Registered Shareholders and Non-Registered Shareholders.

The persons named in the enclosed instrument appointing proxy are officers and directors of the Corporation. **Each Shareholder has the right to appoint a person or company (who need not be a Shareholder) to attend and act for him or her at the Meeting other than the persons designated in the enclosed form of proxy.** Shareholders who have given a proxy also have the right to revoke it insofar as it has not been exercised. The right to appoint an alternate proxyholder and the right to revoke a proxy may be exercised by following the procedures set out below under “Registered Shareholders” or “Non-Registered Shareholders”, as applicable.

If any Shareholder receives more than one (1) proxy or voting instruction form, it is because that Shareholder’s shares are registered in more than one form. In such cases, Shareholders should sign and submit all proxies or voting instruction forms received by them in accordance with the instructions provided.

Registered Shareholders

Registered Shareholders have two (2) methods by which they can vote their Common Shares at the Meeting, namely in person or by proxy. To assure representation at the Meeting, Registered Shareholders are encouraged to return the proxy included with the Circular. Sending in a proxy will not prevent a Registered Shareholder from voting in person at the Meeting. The vote will be taken and counted at the Meeting. Registered Shareholders who do not plan to attend the Meeting or who do not wish to vote in person can vote by proxy.

Proxies must be received by the Corporation’s transfer agent, **TSX Trust Company (“TSX Trust”)**, not later than **Tuesday, June 5, 2018 at 10:00 a.m. (Toronto Time)**. A Registered Shareholder must return the completed proxy to TSX Trust, as follows:

- (a) by **mail** in the enclosed envelope; or

- (b) by the **Internet** or **fax** as described on the enclosed proxy; or
- (c) by **registered mail**, by **hand** or by **courier** to the attention of Proxy Department, TSX Trust Company, 301 - 100 Adelaide Street West, Toronto, Ontario M5H 4H1.

To exercise the right to appoint a person or company to attend and act for a Registered Shareholder at the Meeting, such Shareholder must strike out the names of the persons designated on the enclosed instrument appointing a proxy and insert the name of the alternate appointee in the blank space provided for that purpose.

To exercise the right to revoke a proxy, in addition to any other manner permitted by law, a Shareholder who has given a proxy may revoke it by instrument in writing, executed by the Shareholder or his or her attorney authorized in writing, or if the Shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited: (i) at the registered office of the Corporation, 66 Kenmount Road, Suite 202, Kenmount Building Centre, St. John's, NL A1B 3V7 Attn: Frances Kwong, at any time up to and including the last business day preceding the Meeting at which the proxy is to be used, or at any adjournment thereof, or (ii) with the chairman of the Meeting on the date of the Meeting, or at any adjournment thereof, and upon either of such deposits the proxy is revoked.

Non-Registered Shareholders

Non-Registered Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "**NOBOs**". Non-Registered Shareholders who have objected to their intermediary disclosing the ownership information about themselves to the Corporation are referred to as "**OBOs**".

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice of Meeting, this Circular, and either the voting instructions form ("**VIF**") or the form of proxy, as applicable, (collectively, the "**Meeting Materials**") directly to the NOBOs and indirectly, through intermediaries, to the OBOs. The Corporation will also pay the fees and costs of intermediaries for their services in delivering Meeting Materials to OBOs in accordance with NI 54-101.

Meeting Materials Received by OBOs from Intermediaries:

The Corporation has distributed copies of the Meeting Materials to intermediaries for distribution to OBOs. The Corporation also intends to pay for intermediaries to forward copies of the proxy-related Meeting Materials and related forms to objecting beneficial Shareholders. Intermediaries are required to deliver these materials to all OBOs of the Corporation who have not waived their rights to receive these materials, and to seek instructions as to how to vote the Common Shares. Often, intermediaries will use a service company (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to OBOs.

OBOs who receive Meeting Materials will typically be given the ability to provide voting instructions in one of two ways:

- (a) Usually, an OBO will be given a VIF which must be completed and signed by the OBO in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed.
- (b) Occasionally, an OBO may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the OBO but is otherwise not completed. This form of proxy does not need to be signed by the OBO but must be completed by the OBO and returned to TSX Trust in the manner described above for Registered Shareholders.

The purpose of these procedures is to allow OBOs to direct the proxy voting of the Common Shares that they own but that are not registered in their name. Should an OBO who receives either a form of proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on his or her behalf), the OBO should strike out the persons named in the form of proxy as the proxy holder and insert the OBO's (or such other person's) name in the blank space provided or, in the case of a VIF, follow the instructions provided by the

intermediary. **In either case, OBOs who received Meeting Materials from their intermediary should carefully follow the instructions provided by the intermediary.**

To exercise the right to revoke a proxy, an OBO who has completed a proxy (or a VIF, as applicable) should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as “non-votes” because the intermediary has not received instructions from the OBO with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Common Shares represented by such “non-votes” will, however, be counted in determining whether there is a quorum.

Meeting Materials Received by NOBOs from the Corporation:

As permitted under NI 54-101, the Corporation has used a NOBO list to send the Meeting Materials directly to the NOBOs whose names appear on that list. If you are a NOBO and the Corporation’s transfer agent, TSX Trust, has sent these materials directly to you, your name and address and information about your holdings of Common Shares of the Corporation have been obtained from the intermediary holding such shares on your behalf in accordance with applicable securities regulatory requirements.

As a result, any NOBO of the Corporation can expect to receive a scannable VIF from TSX Trust. Please complete and return the VIF to TSX Trust in the envelope provided. TSX Trust will tabulate the results of the VIFs received from the Corporation’s NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF’s received by TSX Trust.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. The intermediary holding Common Shares on your behalf has appointed you as the proxyholder of such Common Shares, and therefore you can provide your voting instructions by completing the proxy included with this Circular in the same way as a Registered Shareholder. Please refer to the information under the heading “*Registered Shareholders*” for a description of the procedure to return a proxy, your right to appoint another person or company as your proxy to attend the Meeting, and your right to revoke the proxy.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.

Notice-and-Access

The Corporation is not sending the Meeting Materials to Registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*.

Exercise of Proxies

Where a choice is specified, the Common Shares represented by proxy will be voted for, withheld from voting or voted against, as directed, on any poll or ballot that may be called. **Where no choice is specified, the proxy will confer discretionary authority and will be voted in favour of all matters referred to on the form of proxy. The proxy also confers discretionary authority to vote for, withhold from voting, or vote against amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters not specifically mentioned in the Notice of Meeting but which may properly come before the Meeting.**

Management has no present knowledge of any amendments or variations to matters identified in the Notice of Meeting or any business that will be presented at the Meeting other than that referred to in the Notice of Meeting.

However, if any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed instrument appointing a proxy to vote in accordance with the recommendations of management of the Corporation.

Voting Shares

The authorized capital of the Corporation consists of an unlimited number of Common Shares, of which 56,933,652 are issued and outstanding as of the date hereof.

The board of directors of the Corporation (the “**Board**” or “**Board of Directors**”) has fixed the record date for the Meeting as the close of business on Tuesday, May 1, 2018 (the “**Record Date**”). Only Shareholders of record as of the close of business on the Record Date will be entitled to vote at the Meeting, provided that if a Shareholder has transferred any Common Shares after the Record Date and the transferee, except that a Shareholder who is not a Shareholder on the Record Date may demand that such Shareholder’s name be included on the list of Shareholders entitled to vote at the Meeting if satisfactory evidence is produced not later than ten (10) days before the Meeting that such person owns Common Shares.

Shareholders entitled to vote shall have one (1) vote each on a show of hands and one (1) vote per Common Share on a poll.

Quorum

Two (2) persons present and each entitled to vote at the Meeting and authorized to cast at the Meeting in aggregate not less than ten percent (10%) of the total number of votes attaching to all shares of the Corporation carrying the right to vote will constitute a quorum at the Meeting.

Principal Shareholders

As of the date hereof, to the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or exercises control or direction over, directly or indirectly, Common Shares carrying ten percent (10%) or more of the voting rights attached to the outstanding Common Shares except as follows:

Election of Directors

The Articles of Incorporation of the Corporation provide that the size of the Board must consist of not less than one (1) director and not more than ten (10) directors to be elected annually.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

To the knowledge of the Corporation, no proposed director of the Corporation is, as at the date of this Circular, or within ten years prior to the date of this Circular has been, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Except as set out below, to the knowledge of the Corporation, no proposed director of the Corporation:

- (c) is, as at the date of this Circular, or within ten years prior to the date of this Circular has been, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets;
- (d) has, within ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director; or

Brian Dalton is a director of Newfoundland and Labrador Refining Corporation (“**NLRC**”) which, on June 18, 2008, filed a Notice of Intention to Make a Proposal with the Office of the Superintendent of Bankruptcy. On October 17, 2008, NLRC submitted a proposal to its creditors and on November 20, 2009, the Supreme Court of Newfoundland and Labrador accepted the proposal. On July 30, 2014, the Supreme Court of Newfoundland and Labrador ordered the discharge of Ernst & Young Inc. as the trustee under the proposal. No further proceedings have been taken by creditors to place NLRC into bankruptcy, and NLRC is currently dormant.

Appointment of Auditor

Deloitte LLP has been the auditor of the Corporation since its incorporation on October 24, 2016. Management recommends the reappointment of Deloitte LLP. The Shareholders will be asked at the Meeting to vote for the appointment of Deloitte LLP as auditor of the Corporation until the next annual meeting of Shareholders of the Corporation, at a remuneration to be fixed by the Board.

It is intended that all proxies received will be voted in favour of the appointment of Deloitte LLP as auditor of the Corporation, unless a proxy contains instructions to withhold the same from voting. Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the appointment of Deloitte LLP as auditor of the Corporation.

Annual Approval of Incentive Stock Option Plan

The Corporation adopted a 10% “rolling” incentive stock option plan (the “**Plan**”), which was originally approved by the Board and the shareholders of the Corporation on December 6, 2016 and last approved by the shareholders of the Corporation on June 8, 2017. The rules of the TSX Venture Exchange (“**TSX-V**”) provide that a rolling stock option plan must be re-approved by shareholders every year.

The purpose of the Plan is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation and its subsidiaries and affiliates to acquire Common Shares, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

The following information is intended as a brief description of the Plan, and is qualified in its entirety by reference to the Plan itself, which is attached as Appendix A. In addition, upon request, the Corporation will promptly provide a copy of the Plan free of charge to any Shareholder. To request a copy of the Plan, Shareholders should contact Frances Kwong, 550 - 220 Bay Street, Toronto, Ontario, M5J 2W4.

The Plan

The Plan is administered by the Board, but may be administered by a committee of the Board to which the Board has delegated its duties and powers under the Plan. Directors, officers, consultants and employees of the Corporation or its subsidiaries or affiliates, and employees of any person or company which provides management services to the Corporation or its subsidiaries or affiliates, are eligible to participate in the Plan.

The aggregate number of Common Shares reserved for issuance under the Plan shall be up to 10% of the issued and outstanding Common Shares of the Corporation at the time when options are granted. The number of options granted to a participant shall be determined by the Board, provided that:

- (a) No person (and companies wholly owned by that person) may be granted options in any twelve-month period to purchase Common Shares exceeding 5% of the issued and outstanding Common Shares, calculated at the time of granting an option to such person, unless the Corporation has obtained disinterested shareholder approval in respect of such grant.
- (b) The aggregate number of options granted to any one consultant in a twelve-month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time an option is granted to the consultant.
- (c) The aggregate number of options granted all persons retained to provide investor relations activities must not exceed 2% of the issued and outstanding Common Shares in any twelve-month period, calculated at the time an option is granted to any such person.

The exercise price of options granted under the Plan will be determined by the Board, provided that the exercise price shall not be less than the discounted market price permitted by the TSXV.

The Board has the discretion to determine the time during which options will vest and the method of vesting. Unless the Board otherwise determines, options granted under the Plan will fully vest on the date of grant, except that options granted to persons retained to provide investor relations activities are required to vest in stages over a minimum of twelve months with no more than one-quarter (1/4) of the options vesting in any three-month period.

The maximum term of an option is 10 years. A participant's options will expire 90 days (or at the expiry of the term of the options, if earlier) after ceasing to act for the Corporation for any reason other than termination by the Corporation for cause and, in the case of termination for cause, the options will expire immediately. Upon the death of a participant, the participant's legal representatives will have one year in which to exercise the outstanding options, but not later than the expiry of the term of the options. Options are not transferable or assignable.

Subject to the requirements of the policies of the TSXV, obtaining any necessary regulatory approvals and the terms of the Plan, the Board has the discretion to amend or terminate the Plan or amend outstanding options. Shareholder approval will be required for any amendments to the Plan with respect to: (a) persons eligible to be granted options under the Plan; (b) the maximum percentage of Common Shares that are reserved for issuance under the Plan; (c) the limitations under the Plan on the number of options that may be granted to any one person or any category of persons; (d) the method for determining the exercise price of options; (e) the maximum term of options; and (f) the expiry and termination provisions applicable to options.

Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the Plan.**

Amendment of Articles of the Corporation to change the Province of the Registered Office

The Articles of the Corporation currently provide that the province in which the registered office of the Corporation must be situated is Newfoundland and Labrador. Accordingly, at the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, a special resolution in the following form (the "**Article Amendment Resolution**"), authorizing an amendment to the Articles so as to change the province in which the registered office of the Corporation is situated from Newfoundland and Labrador to Ontario.

2. the directors of the Corporation may, pursuant to section 173(2) of the CBCA, revoke this special resolution before it is acted upon without further approval of the shareholders; and
3. any one director or officer of the Corporation is hereby authorized and directed, for and on behalf of the Corporation, to execute or cause to be executed under seal of the Corporation or otherwise and to deliver or cause to be delivered such other documents and instruments, including Articles of Amendment, and to do or cause to be done such other acts and things as may in the opinion of such director or officer of the Corporation be necessary or desirable to carry out the intent of the foregoing resolution.

The persons named as proxyholders in the enclosed form of proxy, if not expressly directed to the contrary, intend to vote FOR the Article Amendment Resolution. To be effective the Article Amendment Resolution must be approved by not less than two-thirds (66 and 2/3%) of the votes cast by holders of the Common Shares of the Corporation present in person, or represented by proxy at the Meeting.

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation's Board of Directors is responsible for the oversight of the Corporation's strategy, policies and programs for the compensation and development of senior officers and directors.

Named Executive Officer Compensation

The Corporation does not currently have a formal executive compensation program in place. Named Executive Officers are eligible to receive options pursuant to the Plan at the discretion of the Board. In determining the salary and other compensation as well as option grants for Named Executive Officers, the Board conducts an informal survey of comparable data from similar public companies taking into account the size and level of activity of the Corporation.

The compensation of each of the NEO's is comprised of a base salary, bonuses and options granted under the Plan. The former CFO provided services to the Corporation under the Altius Services Agreement.

Director Compensation

The Corporation pays its independent board members an annual retainer fee of \$35,000. In addition, directors are eligible to receive options pursuant to the Plan at the discretion of the Board. Directors are entitled to be reimbursed for travel and other out-of-pocket expenses incurred for attendance at directors' meetings but are not compensated for travel time in connection with attendance at the board meetings.

Pension disclosure

The Corporation does not have any pension arrangements in place for the NEOs or directors.

For a description of the Plan, see "*Business to be Transacted at the Meeting – Annual Approval of Incentive Stock Option Plan*".

INDEBTEDNESS OF DIRECTORS AND OFFICERS

No current or former directors, executive officers or employees of the Corporation or any of its subsidiaries or proposed directors, or associates or affiliates of any of these persons, have been indebted to the Corporation or its subsidiaries, or indebted to another entity which indebtedness was the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding provided by the Corporation or any of its subsidiaries, at any time since the Corporation's last completed financial year or as of May 1, 2018, other than "Routine Indebtedness" as that term is defined in applicable securities legislation.

MANAGEMENT CONTRACTS

During the most recently completed financial year, apart from those provided by the Altius Services Agreement, no management functions of the Corporation were, to any substantial degree, performed by a person or company other

than the directors or executive officers (or private companies controlled by them, either directly or indirectly) of the Corporation. Pursuant to the Altius Services Agreement which came into effect January 1, 2017, AMC provided corporate management, administration, information technology, financial and regulatory filing and reporting services to the Corporation as and when requested by the Corporation for a monthly fee of \$10,000 plus applicable taxes. Until their respective resignations effective October 10, 2017, Ben Lewis, former CFO and Chad Wells, former Corporate Secretary, provided services to the Corporation pursuant to the Altius Services Agreement. AMC is also entitled to be reimbursed for costs it incurs directly for the Corporation. AMC's head office is located at 66 Kenmount Road, Suite 202, Kenmount Business Centre, St. John's NL A1B 3V7. Pursuant to the Altius Services Agreement, the agreement may be terminated by either party upon 60 days' written notice to the other party. On November 30, 2017, the Altius Services Agreement was terminated with the required notice having been given.

During the financial year ended December 31, 2017, the Corporation incurred an aggregate amount of \$110,000 to AMC for the provision of management services and technical consulting pursuant to the Altius Services Agreement, inclusive of CFO services and Corporate Secretary Services of two former officers, Ben Lewis and Chad Wells, respectively. The Corporation and AMC shared two former officers, Mr. Ben Lewis and Mr. Chad Wells.

CORPORATE GOVERNANCE

The Canadian securities regulatory authorities have issued corporate governance guidelines pursuant to National Policy 58-201 – *Corporate Governance Guidelines* (“NP 58-201” or the “**Corporate Governance Guidelines**”), together with certain related disclosure requirements pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”). The Corporate Governance Guidelines are recommended as “best practices” for issuers to follow. The Corporation recognizes that good corporate governance plays an important role in its overall success and in enhancing shareholder value and, accordingly, has adopted certain corporate governance practices which are reflective of the recommended Corporate Governance Guidelines. Set out below is a description of the Corporation's approach to corporate governance.

Board of Directors

The Board is comprised of six directors, two of whom are “independent” within the meaning of National Instrument 52-110, *Audit Committees* (“NI 52-110”). Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. In addition, certain individuals, by definition, are deemed to have a “material relationship” with the Corporation and therefore are deemed not to be independent. Paul Sweeney, Sally Eyre and Mark Wellings are considered independent of the Corporation. Brian Dalton, Michael Haworth and Christian Kargl-Simard are not considered independent for the following reasons:

- Brian Dalton is an executive officer or director of AMC, a significant indirect shareholder of the Corporation;
- Michael Haworth is Senior Partner of Greenstone Capital LLP, which controls Greenstone Resources II L.P., a significant shareholder of the Corporation; and
- Christian Kargl-Simard is the President and Chief Executive Officer of the Corporation.

Pursuant to the Board's mandate, the Board will meet on at least a quarterly basis and will hold additional meetings as may be required or appropriate in the circumstances. The frequency of the meetings and the nature of the meeting agendas will be dependent on the nature of the business and affairs which the Corporation faces from time to time. The independent directors will also hold meetings at least quarterly at which non-independent directors and members of management are not in attendance in accordance with the Board's mandate. Having considered the current size of the Board, the number of independent directors on the Board and the experience of the independent directors with other reporting issuers, the Board believes that separate meetings of the independent directors provide sufficient leadership for the independent directors.

Outside Directorships

The following directors of the Corporation are presently directors of other issuers that are reporting issuers (or the equivalent) in a Canadian jurisdiction or a foreign jurisdiction:

<u>Director</u>	<u>Company</u>
Brian Dalton	Altius Minerals Corporation (TSX)
Sally Eyre	Japan Gold Corp. (TSXV)
Michael Haworth	Excelsior Mining Corp. (TSXV) Coro Mining Corp. (TSX) Northern Vertex Mining Corp. (TSXV) Zanaga Iron Ore Company Limited (AIM) Ncondezi Energy Limited (AIM)
Paul Sweeney	Tahoe Resource Inc. (TSX) OceanaGold Corporation (TSX)
Mark Wellings	Eurotin Inc. (TSXV) Gran Colombia Gold Corp. (TSX)

Orientation and Continuing Education

Given the current size of the Board, there is no formal program for the orientation and education of new directors. The Corporation intends to ensure that all new directors meet with executive management and incumbent directors and receive a complete package with background as to the Corporation's business and outlining the securities law obligations and restrictions on members of the Board and the Corporation to aid in their familiarization with the Corporation. Continuing education helps directors keep up to date on changing governance issues and requirements and legislation or regulations in their field of experience. The Board recognizes the importance of ongoing education for the Board and the need for each director to take personal responsibility for this process. To facilitate ongoing education, directors will be made aware of their responsibility to keep themselves up to date with best director and corporate governance practices and will be encouraged and funded to attend seminars that will increase their own and the Board's effectiveness.

Ethical Business Conduct

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the "Code") and expects each of its directors, officers, employees, consultants and contractors to adhere to the standards set forth in the Code, which was designed to promote, among other things, (a) honest and ethical conduct, (b) confidentiality of corporate information, (c) avoidance of conflicts of interest, (d) protection and proper use of corporate assets, (e) compliance with applicable governmental laws, rules and regulations, (f) prompt internal reporting to appropriate persons of violations of the Code, and (g) accountability for adherence to the Code. A copy of the Code is available on SEDAR at www.sedar.com.

A copy of the Code is to be provided to each director, officer, employee, consultant and contractor, and each such person is required to sign an acknowledgement to acknowledge their obligations under the Code. The Code specifically addresses, among other things, conflicts of interest, confidentiality, compliance with laws, fair dealing, protection and use of corporate assets, health and safety and the environment, discriminatory employment practices and harassment, reporting of violations of the Code and consequences for violations. The Code also provides that the Corporation will not retaliate against a person who reports suspected unethical conduct, a breach of the Code or any Corporation policy, or any violations of laws or regulations.

Insider Trading Policy

The Board has established an insider trading policy, which provides a general framework to assist directors, officers, employees, consultants, contractors and others with non-public material information about the Corporation in

ensuring that any purchase or sale of securities occurs without actual or perceived violation of applicable securities laws.

Nomination of Directors

The Board does not have a formal process for identifying new candidates for nomination to the Board. It is the intent of the Board and the Corporate Governance Committee to collaborate with management from time to time to assess the appropriate size of the Board, to identify the necessary qualifications and skills of the Board as a whole and of each director individually, to identify potential candidates and to consider their appropriateness for membership on the Board.

Director and Executive Officer Compensation

Remuneration of the executive officers and the directors of the Corporation is determined by the Board. The Board also administers the Stock Option Plan, including any option grants to the directors and officers. In determining compensation and option grants, the Board will conduct an informal survey of comparable data in the mining industry, taking into account the size as well as the level of activity of the Corporation.

Other Board Committees

In addition to the Audit Committee, the Board established a Corporate Governance Committee which is comprised of Sally Eyre (Chair), Mike Haworth and Paul Sweeney.

The Corporate Governance Committee's primary function is to assist the Board in carrying out its responsibilities with respect to the development and implementation of the highest standards of governance and ethics. This includes the development and implementation of principles and systems of corporate governance, monitoring compliance with the Corporation's overall governance system and principles, identifying qualified individuals for Board and committee membership, evaluating Board, committee and director performance, and assessing the integrity of the executive officers to ensure that the Corporation, through its policies and practices, maintains a culture of highest integrity. A copy of the Corporate Governance Committee's charter is attached as Appendix C.

Audit Committee

The Audit Committee is comprised of three directors: Paul Sweeney (Chair), Sally Eyre and Mark Wellings. Each of the Audit Committee members is "financially literate" and all Audit Committee members are "independent" within the meaning of NI 52-110. For the education and experience of each member of the Audit Committee relevant to the performance of his or her duties as a member of the Audit Committee, see "*Business to be Transacted at the Meeting – Election of Directors*". A copy of the Audit Committee's charter is attached as Appendix C.

Pursuant to NI 52-110, the Audit Committee must approve in advance all non-audit services to be provided to the Corporation by the external auditor. The Audit Committee has not adopted any specific policies and procedures for the engagement of non-audit services except as contained in its charter. At no time since the Corporation's incorporation has the Corporation retained its external auditor to provide any non-audit services to the Corporation.

The Corporation is relying upon the following exemption contained in Section 6.1 of NI 52-110:

- An exemption from the requirement to disclose information relating to the Audit Committee in an annual information form ("AIF") as the Corporation, like other venture issuers, will be exempt from the requirement to file an AIF.

 - (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do.

Exercise Price

- 4.1 The exercise price of an Option will be set by the Board at the time such Option is granted and shall not be less than the Discounted Market Price. If the exercise price of an Option is at a discount to the Market Price, any certificate representing the Options and any Shares issued upon exercise of the Options prior to the end of the Exchange Hold Period will be legended with the Exchange Hold Period commencing on the

grant date of the Options. In the case of uncertificated Shares, the Exchange Hold Period will be legended on any written notice or acknowledgement issued in respect of the Shares.

Term of Option

- 4.2 Options shall be for a fixed term and exercisable from time to time as determined in the discretion of the Board at the time of grant, provided that no Option shall have a term exceeding 10 years.

Vesting of Options

- 4.3 Subject to the discretion of the Board, the Options granted to an Optionee under this Plan shall fully vest on the date of grant of such Options. In accordance with the TSX-V Policies, and subject to the TSX-V approval to the contrary, Options granted to Optionees retained to provide Investor Relations Activities must vest (and not otherwise be exercisable) in stages over a minimum of 12 months with no more than 1/4 of the Options vesting in any 3-month period.

Extension of Options Expiring During Blackout Period

- 4.4 Should the Expiry Date for an Option fall within a Blackout Period, such Expiry Date shall, subject to approval of the TSX-V, be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth (10th) Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. The ten (10) Business Day period referred to in this section may not be extended by the Board.

Optionee Ceasing to be Director, Employee or Service Provider

- 4.5 Subject to Sections 4.6, 4.7, and 4.8, if an Optionee ceases to be a Service Provider, his Option shall terminate immediately, or at such later date specified by the Board at the time of granting the Option (not later than one year following the date of termination), and all rights to purchase Shares under such Option shall cease and expire and be of no further force or effect upon termination.
- 4.6 If, before the expiry of an Option in accordance with the terms thereof, the Optionee ceases to be a Service Provider for any reason whatsoever other than termination by the Corporation for cause, such Option may, subject to the terms thereof and any other terms of the Plan, be exercised by the Optionee at any time within ninety (90) days following the date of the Optionee ceased to be a Service Provider, but, in any case, the exercise of the Option must be:
- (a) prior to the Expiry Date of the Option that would otherwise apply if not for the Optionee ceasing to be a Service Provider in accordance with the terms of the Option; and
 - (b) only to the extent that the Optionee was entitled to exercise such Option at the date he ceased to be a Service Provider.
- 4.7 Options shall not be affected in the event the Optionee ceases to fall within a listed category contained in the definition of a "Service Provider" hereunder where such Optionee continues to fall within another listed category of such definition.

Death of Optionee

- 4.8 If an Optionee dies prior to the Expiry Date of his Option, his legal representatives may, by the earlier of:
- (a) one year from the date of the Optionee's death (or such lesser period as may be specified by the Board at the time of granting the Option); and
 - (b) the Expiry Date of the Option,

exercise any portion of such Option.

Non Assignable

- 4.9 Subject to Section 4.8, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

- 4.10 If the Corporation amalgamates or merges with or into another company or enters into an arrangement or other business combination with another company, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, merger, arrangement or other business combination if the Optionee had exercised his Option immediately prior to the record date applicable to such amalgamation, merger, arrangement or other business combination and the exercise price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan.
- 4.11 If there is any change in the Shares through the declaration of stock dividends of Shares or consolidations, subdivisions or reclassification of Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option, and the exercise price of any Option shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for all purposes of the Plan.
- 4.12 The Corporation shall not be obligated to issue fractional shares in satisfaction of any of its obligations hereunder.

Article 5 **Exercise Procedures**

Manner of Exercise

- 5.1 Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporation at its principal office of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the exercise price for the Shares to be purchased. The exercise price must be paid in cash.

Conditions of Issuance

- 5.2 Notwithstanding any of the provisions contained in the Plan or any Option, the Corporation's obligation to issue Shares to an Optionee pursuant to the exercise of an Option shall be subject to:
- (a) completion of such registration or other qualification of such Shares or obtaining approval of the Regulatory Authorities as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
 - (b) the admission of Shares to listing on the TSX-V; and
 - (c) the receipt from the Optionee of such representations, agreements and undertakings, including as to future dealings in such Shares, as the Corporation or its counsel determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

The Corporation shall, to the extent necessary, take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on the TSX-V. If any Shares cannot be issued to any Optionee for any reason including, without limitation, the failure to obtain necessary shareholder, regulatory or TSX-V approval, then the obligation of the Corporation to issue such Shares shall terminate and any Optionee's exercise price paid to the Corporation shall be returned to the Optionee.

Tax Withholding

- 5.3 If the Corporation is required under the *Income Tax Act* (Canada) or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Shares on exercise of Options, then the Optionee shall:
- (a) pay to the Corporation, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Corporation to be the amount necessary to permit the required tax remittance;
 - (b) authorize the Corporation, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Corporation determines a portion of the Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
 - (c) make other arrangements acceptable to the Corporation to fund the required tax remittance.

Cashless Exercise

- 5.4 Subject to Section 5.3 hereof and any other provision of the Plan and the terms of any stock option agreement and only if permitted by the Board and the rules of the stock exchange on which the Shares are listed (for avoidance of doubt, this Section 5.4 shall not apply while the Shares are listed on the TSX-V), an Optionee may elect to exercise an Option or a portion thereof held by the Optionee by surrendering such Option or a portion thereof in exchange for the issuance of that number of Shares having a fair market value equal to the amount by which (i) the product of the number of Shares issuable upon the exercise of such Option multiplied by the Market Price of the Shares (as at the date of exercise) underlying such Option exceeds (ii) the aggregate Option Price for all of the Options being exercised. Options may be exercised pursuant to this Section 5.4 from time to time by delivery to the Corporation at its principal office of a written notice of exercise specifying that the Optionee has elected a cashless exercise of such Options and the number of Options to be exercised. The Corporation will not be required, upon the exercise of any Options pursuant to this Section 5.4, to issue fractions of Shares or to distribute certificates which evidence fractional Shares. In lieu of fractional Shares, there will be paid to the Optionee by the Corporation upon the exercise of such Options pursuant to this Section 5.4 within ten (10) business days after the exercise date, an amount in lawful money of Canada equal to the then fair market value of such fractional interest, provided that the Corporation will not be required to make any payment, calculated as aforesaid, that is less than \$10.00. Upon exercise of the foregoing, the number of Shares actually issued shall be deducted from the number of Shares reserved with the stock exchange on which the Shares are listed for the future issuance under the Plan and the balance of the Shares that were issuable pursuant to the Options so surrendered shall be considered to have been cancelled and available for further issuance.

Delivery of Optioned Shares

- 5.5 As soon as practicable after receipt of the notice of exercise described in Section 5.1 and payment in full for the Shares being acquired, the Corporation will direct its transfer agent to issue to the Optionee the appropriate number of Shares.

Article 6
General

No Other Rights

- 6.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Corporation, or interfere in any way with the right of the Corporation to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

- 6.2 An Optionee shall not have any rights as a shareholder of the Corporation with respect to any Shares covered by an Option until such holder shall have exercised such Option in accordance with the terms of the Plan (including tender of payment in full of the exercise price of the Shares in respect of which the Option is being exercised) and the Corporation shall issue such Shares to the Optionee in accordance with the terms of the Plan in those circumstances.

No Representation or Warranty

- 6.3 The Corporation makes no representation or warranty as to the future market value of Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Service Provider is the responsibility of each Service Provider and not the Corporation.

Inability to Obtain Approval

- 6.4 The inability of the Corporation to obtain approval from Regulatory Authorities (which approval is deemed by the Corporation to be necessary to the lawful issuance of any Shares hereunder) shall relieve the Corporation of any liability in respect of the failure to issue such Shares.

Applicable Law

- 6.5 The Plan will be governed and construed in accordance with the laws of the Province of Newfoundland and Labrador and the federal laws of Canada applicable therein.
- 6.6 If any provision of this Plan or any agreement entered into pursuant to this Plan contravenes any law or any order, policy, by-law or regulation of any Regulatory Authorities, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

Effective Date of Plan and Approvals

- 6.7 The Plan will become effective on the date first noted above and will remain effective subject to receiving Shareholder Approval and to acceptance by the TSX-V and any other relevant Regulatory Authority. Any Options granted hereunder prior to such approval and acceptance shall be conditional upon such approval and acceptance being given, and no such Options may be exercised unless and until such approval and acceptance is given.
