CANSTAR RESOURCES, ADVENTUS ZINC AND ALTIUS MINERALS PROVIDE UPDATE ON TRANSACTION

NOT FOR DISTRIBUTION TO UNITED STATES NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Toronto, May 31, 2018 – Canstar Resources Inc. (“**Canstar**” or the “**Corporation**”) (TSX-V: ROX), Adventus Zinc Corporation (“**Adventus**”) (TSX-V: ADZN) and Altius Minerals Limited (“**Altius**”) (TSX: ALS) are pleased to provide an update in relation to Canstar’s proposed acquisition of the Newfoundland base metal exploration assets of Adventus and the Daniel’s Harbour Zinc Project from Altius, as previously announced by Canstar on February 21, 2018 and April 18, 2018 (the “**Transaction**”).

The Corporation has submitted a management information circular which constitutes a filing statement under the policies of the TSX Venture Exchange (“TSXV”) to the TSXV for conditional approval and is currently addressing comments received. When conditional approval is granted by the TSXV, Canstar will send the management information circular to shareholders ahead of the its special shareholders meeting at which the Corporation will seek shareholder approval of the Transaction.

Subscription Receipt Extension

The Corporation is pleased to announce that the holders of subscription receipts of the Corporation, which were issued by the Corporation as part of the private placement the closing of which was announced on April 18, 2018, have approved the extension of the date by which the Transaction can be completed pursuant to the terms of the subscription receipts from May 31, 2018 to July 31, 2018, so as to accommodate receipt of requisite regulatory and shareholder approvals of the Transaction.

About Canstar

Canstar Resources is a Canadian mineral exploration and development company. Canstar's objective is to discover and develop economic mineral deposits primarily in North America. Currently, Canstar's focus is on its mineral exploration properties in Newfoundland.

About Adventus

Adventus is a well-financed and unique company focused on zinc-related exploration and project development globally. Its strategic shareholders include Altius Minerals Corporation, Greenstone Resources LP, and Resource Capital Funds; as well as other highly respected investors in the mining business. Adventus owns large prospective land packages in both Ireland and Newfoundland and Labrador, Canada, and is earning a 75% ownership interest in the Curipamba copper-gold-zinc project in Ecuador. In addition, Adventus has a country-wide generative exploration alliance with its partners in Ecuador, incorporating two projects to date. Adventus is based in Toronto, Canada, and is listed on the TSX-V under the symbol ADZN.

About Altius

Altius directly and indirectly holds diversified royalties and streams that generate revenue from 15 operating mines. These are located in Canada and Brazil and produce copper, zinc, nickel, cobalt, iron ore, potash and thermal (electrical) and metallurgical coal. The portfolio also includes numerous pre-development stage royalties covering a wide spectrum of mineral commodities and jurisdictions. In addition, Altius holds a large portfolio of exploration stage projects which it has generated for deal making with industry partners that results in newly created royalties and equity and minority interests.

Completion of the transaction is subject to a number of conditions, including but not limited to, TSX-V acceptance and shareholder approval. Where applicable, the transaction cannot close until the required shareholder approval is obtained. There can be no assurance that the transaction will be completed as proposed or at all.
